Re: United States Patent Application 09,902,718
Title: **MULTI-BIT DRIVER**
Inventor: Fern Beauchamp
Reference No.: 044 GG-04-US

Dear Sir:

This is in response to the Notice of Non-Compliant Amendment mailed January 26, 2005 concerning the above subject matter. Please find enclosed herewith a complete listing of the claims listed consecutively on seven on separate sheets. Each claim has been provided with a proper status identifier.

Applicant submits that the above stated document places the present patent application, as identified above, in condition for allowance.

Applicant further submits that a signed Revocation of Attorney or Agent Document was filed with the Request for Continued Examination, yet the Notice of Non-Compliant Amendment was mailed to the Attorney who was to be taken out of the record. Applicant requests that the Revocation of Attorney or Agent Document be properly entered into the record so that Mark Koch is removed as Attorney of record, and that all further correspondence be addressed to the undersigned at the above address, as indicated on the Revocation of Attorney or Agent Document, as is ~~on~~ file in the Patent Office.

Respectfully submitted,

Fern Beauchamp
